

Flight Training Materials

We suggest the student have the Flight Training Materials listed below. Not all of these materials are mandatory. We have starred what we believe to be the mandatory items.

- Flight Bag* (can be an actual flight bag or backpack)
- Foreflight App Subscription* (ask to see which plan fits your needs)
- Kneeboard*
- Headset* (check ebay for good used deals)
- Plotter*
- E6B*
- VFR Sectional Chart*
- Foggles*
- Aviation Flashlight*
- Current FAR/AIM*
- Current PHAK
- Current Airplane Flying Handbook
- Handheld Airband Radio
- iPad (not required but extremely helpful)

You can purchase these materials at www.Sporty's.com. Feel free to shop around to find better prices. If you have any questions on the importance of these materials please ask.
